The PSA offers discounts for multiple WSF Satellite tournament registrations and early tournament registration. These are as follows:

#### **9.3 Delivery**

All WSF & PSA Satellite Tour tournaments are run by WSF members or sanctioned independent promoters. The PSA will provide administrative support to all tournaments to ensure that the tournaments will count towards the PSA World Rankings and WSF & PSA Junior Rankings.

The minimum draw size is 16 players. A tournament should, wherever possible, have a complete draw. Tournaments should run over a minimum of two days. Tournaments may use whichever format they like (recommended: knock-out, round robin or monrad), however this must be made clear at the point of player entry and cannot be changed after the entry closing deadline.

Finishing positions must be able to be determined as follows to meet the PSA criteria:

Winner; Runner-up; [3/4]; [5/8]; [9/16]; [17/32]; [33/64]

Tournaments are required to use the current PSA World Rankings / WSF & PSA Junior Rankings for seeding participants when making the draw. In special circumstances, a dispensation on this rule may be granted on request, to allow national rankings to be used.

The draw must be made according to the random draw method outlined in Appendix VI, and should be sent, along with the seeding list, to PSA at least five days before the tournament commences.

#### **9.4 Prize Money**

WSF & PSA Satellite tournaments have a minimum prize money of \$1,000 (\$500 for women) and a maximum purse of \$4,999. No tournament on the WSF & PSA Satellite Tour is permitted in any way to offer player guarantees or incentives other than prize money. All other tournaments within this category do not have any prize money restrictions.

The tournament can determine the prize money breakdown and payment method. However, they must inform PSA and all entrants before the tournament commences of how the prize money is to be distributed.

Non-payment of prize money by a tournament may mean suspension from running WSF & PSA tournaments indefinitely.

#### **9.5 Points**

Points are awarded based on the schedule in [Appendix X](#).

Points from the following tournaments will be automatically added to the WSF & PSA Junior Ranking for all competitors but will not be added to the player's PSA World Ranking unless claimed separately via email to PSA office within 24 hours of the end of the tournament.

- WSF World and WSF & PSA Regional Junior Championships
- WSF & PSA National Junior Opens
- WSF & PSA National Junior Championships

Points from the following tournaments must be claimed by a player and, once claimed, will be added to both the WSF & PSA Junior Rankings and PSA World Rankings (a player cannot choose to simply add them to one or the other). To be eligible to claim points, the player must hold the correct PSA membership:

- WSF & PSA National Championships
- WSF & PSA Satellite tournaments
- PSA World Championship

Points from the following tournaments will be automatically added to the WSF & PSA Junior Rankings and PSA World Rankings for players who hold a PSA membership:

- PSA World Tour tournaments

## 9.6 WSF & PSA Junior Rankings

WSF & PSA Junior Rankings are calculated and published on the first day of each month for both U17 and U19 age groups.

WSF & PSA Junior Rankings will be calculated using the divisors outlined in section 7. This is the same method as used for the PSA World Rankings.

Note: All players in the U17 category will automatically be included in the U19 rankings. Once a player turns 17 or 19, they will no longer appear in the respective WSF & PSA Junior Ranking. For example, if a player's 19th birthday is on the 15 August, the last time they will appear in the WSF & PSA U19 Junior Rankings would be the 1 August. They would no longer be eligible to be in the September rankings.

## 9.7 Tournament Conditions

The tournament promoter must supply each player, on application, with the details of any rules and regulations of the tournament. These details should clearly state if there is an entry fee, amount of prize money offered and breakdown, draw dates, draw format, closing deadlines for entries and any other relevant information.

Tournaments must supply PSA with a copy of the draw, including seeding, at least one week prior to the start of the tournament and full results within 24 hours of completion of the tournament. All tournaments must provide results and finishing positions in the format outlined by PSA to enable points to be automatically awarded where applicable. Integration is possible with the following software: Ranked In, SportyHQ, Tournament Software, Club Locker

All courts used must adhere to the specifications and guidelines imposed by the World Squash Federation. Further information can be found via the following link [WSF Specification for Squash Court](#) and also on the WSF official website.

Tournaments must use the Dunlop pro squash ball as this is the exclusive ball of the PSA Tour, unless otherwise advised, PSA can provide tournaments with Dunlop balls and will only charge for the cost of shipment.

Tournaments must adhere to the Tournament Commitment set out within this Tour Rule Book.

## 9.8 Tournament and Promoter Responsibility

The tournament promoter agrees to be responsible for the organisation, administration, security and safety of the tournament's venue and to ensure that the venue complies in all respects with applicable health and safety laws and regulations.

The tournament promoter agrees to act in good faith and in the best interests of the PSA and its members and in the best interests of the game of squash at all times. This includes, but is not limited to, understanding the importance of PSA's Safeguarding Policy, Code of General Conduct & Ethics, anti-corruption statement and PSA's Data Protection and Data Processor policies and ensuring these are implemented and understood by all tournament personnel.

The tournament promoter agrees to abide by the PSA Tour Rule Book in all respects and by the final decisions made by the PSA Chief Executive, Chief Operating Officer or Tour Director.

In the absence of the above, the promoter-of-record, as determined by signature of the tournament contract form, is authorised to make any and all necessary on-site judgements, changes and decisions regarding the effective presentation of a PSA Tour tournament. However, he or she should make every effort to contact the PSA office before making a decision regarding PSA rules and regulations.

The tournament promoter shall, during the course of a tournament, make a note of any incident that he or she believes constitutes a violation of the PSA Tour Rule Book. The tournament promoter shall also, at the conclusion of the tournament, furnish a written report to the PSA office, regarding any

such occurrence. This must be submitted to PSA within seven days of the conclusion of a tournament.
